Dear Friend,

Since 1948, proceeds from the Lexington Woman's Club fundraisers have been providing clothing to elementary students referred to us from the Fayette County school system. Each year via school bus, over 1400 children visit our clothing center for a fun shopping expedition to choose their own new clothing. For one child, \$50 provides a seasonal wardrobe, including a coat, hat, gloves, jeans, sweats, socks, underwear and a book.

While clothing local school children is our main focus, a one year full tuition scholarship to the University of Kentucky is awarded to a non-traditional woman in our community.

We also provide a \$500 "book scholarship" to a graduating high school student who displays outstanding volunteerism.

Due to the Pandemic, we have twice missed our annual fundraiser, which makes your support of our local children and students even more important.

Please consider supporting our community, our children and our college students. Your generous contributions make a substantial difference, both for our children and students' families, and for our children and students' abilities to learn more effectively.

Enclosed is a donation form and return envelope for your convenience. The Lexington Woman's Club is a 501c.3 charitable organization, entirely staffed by volunteers.

With warmth and love, we thank you for your support.
